MANAGED CARE SYSTEMS, LP

Chiropractic Care

**Benefits, Exclusions
and Limitations**

What are the benefits?

- Direct access to a network of professional, local chiropractors
- 20 office visits per year to each employee and eligible enrolled dependents
- Self-referral for plan participants
- \$10 copay per visit

How to Obtain Chiropractic Care

Call and make an appointment with one of the participating chiropractors of your choice. If additional care is required after five visits, your participating chiropractor will prepare an authorization request outlining your treatment plan. A medical director will authorize additional visits if the services are medically necessary chiropractic services for you.

Exclusions and Limitations

- Any treatment or service not authorized and delivered by a MCS Chiropractic provider
- Services not documented as necessary and appropriate or classified as experimental or investigational chiropractic care
- Diagnostic scanning, including MRI, CAT scan, and/or other types of diagnostic scanning
- Disk decompression therapy, laser treatment massage therapy, thermography
- Treatment or services for pre-employment physicals, school physicals, sports physicals, DOT exams, or vocational rehabilitation.

- Any treatment or services caused by, or arising out of, the course of employment, or covered under any public liability or auto insurance
- Hypnotherapy, behavioral training, sleep therapy and weight programs, educational programs, nonmedical self-care or self-help, or any self-help physical exercise training, exercise equipment or any related diagnostic testing
- Air conditioners, air purifiers, therapeutic beds, mattress supplies or any similar devices and appliances
- Vitamins, minerals, nutritional supplements, weight loss supplements, analgesic creams or similar products
- Anesthesia, manipulation under anesthesia, hospitalization or any related services
